MEMORANDUM FOR: Executive Director-Comptroller

SUBJECT : Retirement Emblems

Honor & Award
BA - 9 Aug 66*

1. The Honor Awards Regulation is now out and, as you know, lays down the basic criteria for the presentation of retirement emblems. We now need to establish within those basic criteria specific standards for determining qualification and awarding.

2. We would propose the following eight points which [] and I would like to discuss with you in a few days, after you have had a chance to think about them. Bob has received from the supplier a new striking of silver emblems which we would like to show to you and make some proposals about at the same time.

STATINTL

OK a. For the award of a silver emblem for less than 25 years service, the retiree must have been on duty continuously, i.e., no break in service since 18 September 1947.

b. If an employee dies in service, the widow will receive an emblem if the employee was qualified at time of death. If the employee was single, parents will not receive an emblem.

OK c. Military detail time with CIA counts toward service if the individual civilianized and subsequently retires (this would cover people like Shef Edwards).

OK d. Technically, an employee who leaves under the Discontinued Service concept does not retire from the Agency. For emblem purposes he will be considered as retiring from the Agency.

Do not want. Start as soon as approved. e. Although we will start ordering emblems as soon as we have finally settled on the precise form and packaging, we would propose awarding none until the time of our 20th Anniversary--a year from September. We think it would be particularly appropriate for those previously retired to whom we would be sending them to tie the action to our 20th Anniversary occasion.

no ad hoc this f. We would propose that no emblems be sent overseas. Involved here are only those rare occasions where an individual retires in place. In many instances we probably would be unable to use the APO system, and we don't think we should move this sort of thing through the international mail.

OK g. All prospective recipients will be screened by the Office of Security, Central Cover Staff, the Inspector General, and the Office of Personnel.

OK h. If for cover or security reasons a retiree may not receive an emblem, none will be ordered, as we see no purpose in keeping a retirement emblem in the Agency vault as we are doing in some cases with Honor and Merit Awards.
